### National Hispanic Heritage Month September 15- October 15:

National Hispanic Heritage Month is observed each year in the US to recognize the contributions and influence of Hispanic culture to the nation's achievements, culture, and history.

We will feature menu items from Hispanic countries on September and October menus. This month we have tamales, empanadas, pupusas, and mango parfaits with chamoy sauce.

Chamoy sauce is a Mexican condiment that is made with pickled fruit, chili peppers, lime juice, and salt.
